## AMERICA'S OLDEST CORVETTE CLUB

In July of 1956 in the East Bay, two Corvette owners, Johnny Zeh and Jerry Wright, waved & stopped to talk. Corvettes were few in numbers then & several weeks could pass before encountering another. These drivers discussed starting a Corvette Club.

By July 15, 1956, an informal meeting of Corvette owners decided to establish the Northern California Corvette Association. These early Corvette owners met frequently at each other's homes with their numbers increasing each month.

On March 28, 1957, an initial group of 35 met at Daily Chevrolet in Oakland to establish the by-laws. By then Josh Hogue, San Francisco Examiner's sports car event columnist suggested that this group combine with the one meeting at Les Vogel Chevrolet in San Francisco.

On May 9, 1957 NCCA was incorporated & 40 members elected Roy Storey President. Roy was a TV & radio sportscaster & Corvette participant in SCCA's regional races. Sandy Greenblat was elected Vice

President, Patty Gellenbeck, Secretary & John Zeh, Treasurer. The charter membership for NCCA was closed at the end of May 1957 listing 47 members.

President Roy Storey suggested a series of autocross events named after Grand Prix races. NCCA presented Northern California's 3<sup>rd</sup> autocross. 150 cars drove the course at the Milpitas Ford Plant. This series set the standard for autocrossing in Northern California. Though Roy Storey was soon transferred to Hollywood by CBS, he helped NCCA to properly start as a competing club.

NCCA is still participating in autocrossing, drag races, track racing & car shows. The club is the oldest member of the Western States Corvette Council (WSCC), joining in 1966. We have evolved into more of a social club over the years with the focus on day & weekend trips. In recent years interest has increased in racing, with members taking trophies in drag racing and autocross and entering more and more open track days at Sonoma, Thunderhill, Weather-Tech Raceway at Laguna Seca and Button-willow race tracks.

NCCA celebrated its 50<sup>th</sup> anniversary in 2007 by inviting past presidents to a dinner dance where we shared memorabilia. Our calendar is filled each January with events for the coming year that include trips to an assortment of locations, car shows, our annual fall banquet, & Christmas party.

The club's signature annual event, **Vette Magic**, has traditionally been a two-day, all Corvette Car Show & Drag Races. It is sponsored and organized by NCCA each summer. In 2015, for the first time, in a major break with tradition, Drag Races for the **40th Vette Magic** were opened to all "Bowtie" (Chevrolet) and then in 2016 for the 41st, to all GM sedans and sports cars. Each year this event draws a large number of Corvette racers and spectators from Northern California & the surrounding states.

NCCA is a valuable member of our community, as we contribute to several charitable organizations each year through our charitable foundation.

### BYLAW UPDATE:

On February 3, 2021, a By-Laws and Procedures Manual review committee was formed in accordance with the current By-Laws of the Northern California Corvette Association for the purpose of reviewing the current By-Laws and Procedures Manual and making any changes necessary to bring it up to date with respect to the current operation of NCCA.

A summary of the changes recommended are noted below:

1. Added "When necessary, a virtual meeting can replace a physical meeting."
2. Updated quorum requirements for regular membership to read "two-thirds (2/3) of the voting members."
3. Changed voting on recommended revisions from July GBM to "the month following their publication in the K."
4. Added the following benefits to Honorary and Junior Members.
  - a. "Honorary members shall have access to the members-only section of the NCCA website."
  - b. "Honorary members shall receive electronic notification of club activities just as regular members do."
  - c. "Junior members shall receive electronic notification of club activities just as regular members do."
5. Changed "any member(s) changing her or his type of membership..." to "any member(s) changing their membership status..."
6. Added the following to WSCC Rep., Web Director, and Charitable Foundation President: "shall be considered an Executive Board member for voting purposes"
7. Removed the word "monthly" when referring to the newsletter.
8. Updated Membership Dues table in Procedures Manual to reflect increased WSCC fees.

The NCCA Executive Board should review these documents to be sure that we are following them in our operations and in accordance with and complying with the laws of the state of California and the IRS. A copy of the proposed changes should be included in the newsletter and a vote to accept the changes be made at the following month's GBM.

# General Business Meeting Minutes

## Shirley Smith, Secretary

Wednesday, June 2, 2021

7:00pm Black Bear Diner -  
Danville, CA

Call meeting to order at 7:04 PM

Roll Call of Members - 19 in  
attendance.

**President: Tim Sullivan**

Welcome members.

A motion was made to approve the minutes in last month's K and all  
approved.

Welcome to our new member Kevin McFadden. He has a 2009 (C6) Z06  
black corvette.

It looks like the state is opening up in a few weeks.  
We had our first run to Occidental for this year.  
We also had a bowling event.  
We had the Peanut Run this last Monday.

Blackhawk Plaza is back on line for our car show thanks to Rob  
Andersen.

Rob was able to get with the Blackhawk museum people and hopefully  
we will have a good show in August.  
We are planning for a Fall Banquet this November 21, 2021.  
We have the deposit paid from the previous year and date locked in.  
More information to follow regarding this event.

**VP Events / VP Motorsports / WSCC: Rob Andersen**

I want to thank Harvey for sending out the flyer showing the museum  
was doing events at Blackhawk Plaza and I saw that it had a name  
for me to contact. I had a chance to go to the Ferrari event they were  
holding and talked to Terry about the trouble we were having with  
Blackhawk management not returning calls, emails, etc. He apologized  
to us and wants to get us back to having car shows there again. The date  
for Vette Magic Car show is set on their calendar for Sunday, August 8,  
2021. Terry is happy I showed up for the Ferrari get together and that  
we were able to talk in person. We are set. He is excited. While I was at  
this event, I saw that the Museum had a big tent with their logo on it set  
up. I asked about the tent and they will set that tent up for us. This will  
be a great addition along with our own tents.

I have contacted the DJ and he is set. We already had a deposit with him  
so that is taken care of.

I set up our awards. We did some changes.

C1-C8 categories as usual. I added First, Second and Third for our club  
members. You will need to pay the entrance fee to have your car in the  
show.

Special awards – Club Par, President's choice, People's choice and  
Best Custom among all of the years.

We will have 31 awards to hand out.

I met with Jeff at Dublin Trophy.

Our 2nd place awards will be on a glass plaque.

The First place awards will be a gold steering wheel.

There will be 4 specialty awards which will be old fashioned gas pumps.  
I contacted Mike Roszenweig and got a silhouette of a C8 that he had  
done. So, Jeff will make 2 silhouettes for Club Par and Best Custom

awards.

Very nice awards, unique and clean.

Keeping it simple.

I just received the paperwork for the insurance for the car show.

I spoke with Helen Landis – WSCC today.

We will be the First all Corvette Car Show this year.

I am expecting 150 cars.

Mary Coon will post on Facebook the car show and ask if you are  
interested to let us know in advance.

Rob had Santa Clara Corvettes ask about saving spots for them and  
as we always do this for other clubs when they let us know a count in  
advance.

We will mark off areas for their club members to park together.

The Blackhawk Museum will probably do a discount price for tours.

More information to follow on this.

NCCA will help promote the museum tours.

The flyer is up on our website. Rob will send a copy to Harvey.

Entry fee for the car show is \$30.00 per car.

Ken asked Rob if he had seen the Facebook page from NorCal  
Carshow's? Yes. Rob has sent them a flyer.

**Secretary: Shirley Smith**

I have handed in a letter to Trader Joe's in Castro Valley to ask for a  
raffle basket donation. Hopefully they will be able to help up out this  
year.

I received in the mail a flyer from Chester Elks Lodge in Chester,  
CA regarding a all cars show in September. Harvey will send out  
information on this car show.

Castro Valley Cruise Night is scheduled for August 28, 2021. If you  
are interested please let Shirley know. Shirley is considering a corvette  
caravan for this event.

**Treasurer: George Robinson/Gene Peters Assistant to the Treasurer  
– Via Email**

Not much happening.

I paid Bruce for the K postage. I deposited the check back into charitable  
account for the money that was returned from the overage for the San  
Andreas run.

Per Gene – We have not put our flag up at the Corvette Museum in  
Bowling Green, Kentucky for 2 years now.

We need to get something together to submit in January 2022.

(Suggestion made to use Mike Roszenweig's C8 silhouette and add to  
the design for the flag.)

Good Idea need to get it all together in time to submit with payment by  
beginning of January 2022.

**Membership: Maria (Mary) Coon**

I have the Bent Hub cap award for us to use at the Fall Banquet. If you  
know of someone who deserves this award please let us know.

Who has the Loose Nut Award???

Membership count – 81 couples and 11 singles.

I have updated the membership Application to increase pricing for new  
members to cover the increase from the WSCC dues that were increased  
this year.

I have one potential new member.

I will get stickers made for the club brochure to change our meeting  
place to Black Bear Diner in Danville, CA.

I will have new member packets ready and our Club brochure for the car  
show.

We will now establish Black Bear Diner in Danville, CA as our meeting  
place.

**Social: Harvey Grasso**

We had 3 events recently.

No one else is stepping forward to plan a run or event.

We had 10 cars at the Occidental Run.

We had 4 bowlers and 7 observers for the Bowling event and dinner at Clementine's which everyone said they enjoyed. The Peanut Run was last Monday. We drove thru the Oakland hills along Grizzly Peak over to Quinn's Lighthouse Restaurant for lunch. Unfortunately we had no peanuts this year. Good run, no one got lost! I would like to have someone lead an event. Please step up to lead.

We need to have a Social Social event. What kind of date and where? Harvey has spoken with Black Bear Diner in Danville about reserving the room for a Social Social. It will not be a pot luck like usual. We are confirmed for Wednesday, July 7th, 2021 at 6pm for Social Social at the Black Bear Diner in Danville, CA. We can hold our EBoard/GBM meeting and then hold social social to plan some events for this year. More to follow. Elks Lodge – Chester, California for a weekend event on Sept. 10th and 11th, 2021 for a Car Show. I will send a flyer out. This is for all types of cars.

**Publications: Scott DeVine**

K we have been producing every other month. Do we want to switch back – NO. Stay every other month. Since we have started this we are not getting information out to people in advance because we are doing every other month. (Harvey said he is sending information out to club members). Have any sponsors paid for their Advertisements? NO I did a new flyer with new add pricing and sent to the board – but no one has stepped up to go see the sponsors.

Per Harvey and Gene when they were Treasurer, they sent out invoices to sponsors. Nothing has been sent out for a few years now.

We are currently not scheduled for a June publication. The next K will be our July issue.

It was decided that as of the July 2021 issue of the K, we will go back to a monthly publication.

**Charitable Foundation: Hal & Madeline Briar –**

As soon as we got the flyer for the upcoming car show we sent out letters to 6 companies and we have something from them on the way. We received 5 or 6 bottles of wine from club members that attended the Peanut Run for our raffle. Thank you!! We will have a 50/50 raffle. Mary & Ken Coon have some items for our raffle. If anyone has something to donate for the raffle, please let us know. Denise Peters will make a raffle basket. Mary Coon had offered to help with putting together raffle baskets. We will set something up soon!

**Historian: Herb Clore –**

Not much history in the last year and a half. This is the first time in the history of the club that no events happened in a year. This is the longest time we have gone without events. If you have any pictures of the past events that occurred in the last few months, please send them to me.

**BMAL: Jim Wells-**

Bylaws – I put together a complete package of the Bylaws and Procedures manual for the EBoard to review. I sent that out via email to the EBoard. I might have to make some changes because of the increase in costs of the membership fees. I will work on that. (Jim will work with Mary). We will publish the new Bylaws and Procedures manual changes in the

July K and Vote in August.

**Public Relations: Bruce Bourne –**

I have extra K's here tonight if you are interested in taking one home. Ken Coon will take one to Tracy Chevrolet.

**Web Master – Dave Meccariello –** No report at this time.

Gene – Our club trailer is filthy! We need to have a trailer wash party! Who would like to volunteer to help clean it up? We need to pick a day. All agreed on July 11th at Tim's shop. We will get together to wash the trailer. If you would like to come and help out let Tim know.

**\*\*We need someone to talk to the Dealers regarding sponsorship.\*\***

**\*\* Someone has to start calling about collecting sponsorship funds for the Advertisements in the K.\*\***

Ken Coon will talk to the General Manager at Tracy Chevrolet regarding sponsorship.

**New Business:**

# *OCCIDENTAL 2021*

It was a gorgeous day for one of our first post-COVID runs. With seven member cars and one guest, NCCA made its way up the coast, enjoying some sweet treats, some of the best twisting roads that took us along Tomales Bay and stopping for some outrageous breads before making our way to Occidental. The group enjoyed some lunch - al fresco style - as we raised the population in the small town by 1% during our brief visit. Thanks to Harvey and Pat Grasso for organizing another great run up to Occidental.

## 2022 Corvette Stingray IMSA GTLM Championship Edition Announced

The 2022 Corvette Stingray IMSA GTLM Championship Edition is based on the 3LT trim with Z51 Performance Package. Each car includes Corvette Racing-themed graphics packages. Accelerate Yellow No. 3 editions feature gray graphics and Hypersonic Gray No. 4 editions feature yellow accents.

In left-hand drive markets, Chevrolet will release just 1,000 of these distinctively styled Corvettes, which resemble the No. 3 and No. 4 Corvette C8.R race cars. These special edition supercars were designed to commemorate the mid-engine Corvette C8.R's inaugural season. In 2020, Corvette Racing swept IMSA's sports car championship series, taking the Manufacturers, Drivers and Team titles.

Inside, the Special Edition features a Strike Yellow and Sky Cool Gray cabin that mimics the exterior yellow and gray racing theme, with standard GT2 seats (Competition Sport seats are available), along with yellow seat belts and a C8.R Special Edition numbered plaque.

Additional exterior content (varies by market):

- High-wing spoiler in Carbon Flash
- Yellow brake calipers
- Black Trident design wheels, with the "Jake" logo on the center caps, and black lug nuts
- Exterior mirrors in Carbon Flash
- Black side rockers
- Splash guards

Each car comes with a custom-fitted indoor car cover rendered to the appearance of the No. 3 or No. 4 Corvette C8.R race car, per each Special Edition's color and graphic scheme.

The IMSA GTLM Championship Edition package starts at \$6,595. The Manufacturer's Suggested Retail Price excludes tax.

# PEANUT RUN - 2021

**Photos by Scott DeVine and Harvy Grasso  
Story by Edie DeVine**

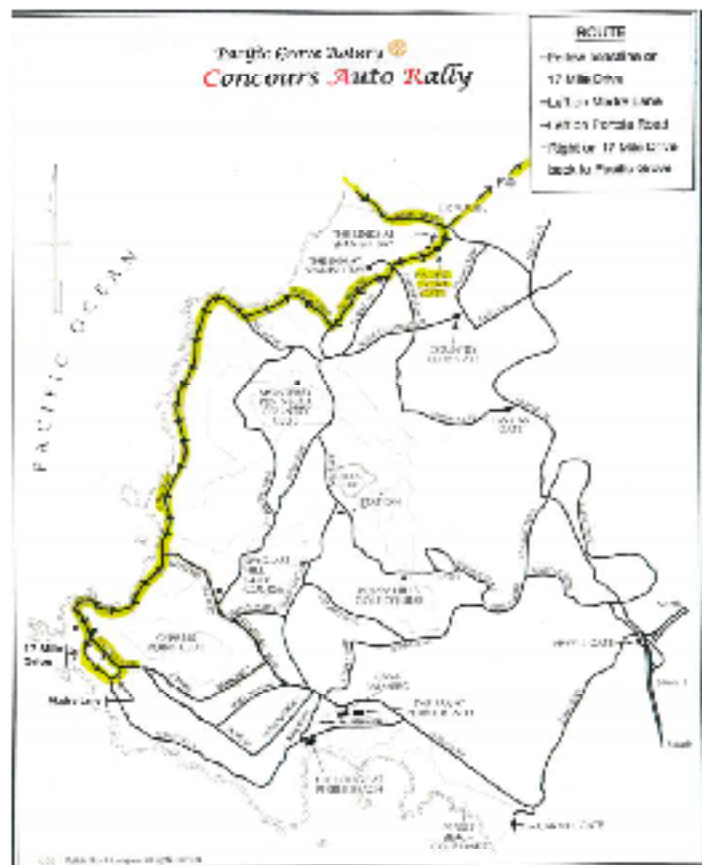

Everyone was missing John McWilliams at this year's Annual Peanut Run, but Harvey and Pat Grasso helped get everything organized and tee'd up. There were 11 member cars on the run, which wound its way up out of Castro Valley and across the Oakland Hills - with sweeping views that are just a little more beautiful when seen from a Corvette. In usual form, the club made its way to some prime parking spots at Quinn's Lighthouse where we partook in some lunch and lots of laughter and socializing. We all raised a glass to John and Wendy, wishing they could have been there with us.

Rotary Club of Pacific Grove

*A non-profit Event to benefit Pacific Grove youth and other local Rotary sponsored programs.*

After hosting the only public event of Monterey Car Week in 2020, a socially-distanced rally drive through the rugged backroads of Monterey County, we are pleased to return to our traditional home in downtown Pacific Grove. Thank you to all who participated last year. We hope you will join us again in 2021.

Our annual event is geared for those enthusiasts who own, drive, or appreciate all cars, especially Vintage, Classic, Sports, and Luxury cars! The automotive marque for 2021 is that legendary muscle car of the 1970s, the Chevrolet Camaro. The Concours judges will present an award for the best Camaro.

In prior years awards were presented during a barbeque dinner after the drive. With uncertainty over required public health measures in August, we have canceled the 2021 dinner. Awards will be presented at the Drivers Meeting before the rally drive begins.

Registration and staging of participating cars begin at noon along Lighthouse Avenue in the heart of Pacific Grove. Spectators arrive throughout the day to view the staged vehicles and to watch them depart on the Rally Drive.

The Rally Drive will begin at 5:00 and follows a scenic route along the magnificent Pacific Grove and Pebble Beach shoreline. The Rally returns to downtown Pacific Grove. If you wish to dine at any of our fine restaurants, be sure to make reservations well ahead.
