AMERICA'S OLDEST CORVETTE CLUB

In July of 1956 in the East Bay, two Corvette owners, Johnny Zeh and Jerry Wright, waved & stopped to talk. Corvettes were few in numbers then & several weeks could pass before encountering another. These drivers discussed starting a Corvette Club.

By July 15, 1956, an informal meeting of Corvette owners decided to establish the Northern California Corvette Association. These early Corvette owners met frequently at each other's homes with their numbers increasing each month.

On March 28, 1957, an initial group of 35 met at Daily Chevrolet in Oakland to establish the by-laws. By then Josh Hogue, San Francisco Examiner's sports car event columnist suggested that this group combine with the one meeting at Les Vogel Chevrolet in San Francisco.

On **May 9, 1957** NCCA was incorporated & 40 members elected Roy Storey President. Roy was a TV & radio sportscaster & Corvette participant in SCCA's regional races. Sandy Greenblat was elected Vice

President, Patty Gellenbeck, Secretary & John Zeh, Treasurer. The charter membership for NCCA was closed at the end of May 1957 listing 47 members.

President Roy Storey suggested a series of autocross events named after Grand Prix races. NCCA presented Northern California's 3rd autocross. 150 cars drove the course at the Milpitas Ford Plant. This series set the standard for autocrossing in Northern California. Though Roy Storey was soon transferred to Hollywood by CBS, he helped NCCA to properly start as a competing club.

NCCA is still participating in autocrossing, drag races, track racing & car shows. The club is the oldest member of the Western States Corvette Council (WSCC), joining in 1966. We have evolved into more of a social club over the years with the focus on day & weekend trips. In recent years interest has increased in racing, with members taking trophies in drag racing and autocross and entering more and more open track days at Sonoma, Thunderhill, Weather-Tech Raceway at Laguna Seca and Button-willow race tracks.

NCCA celebrated its 50th anniversary in 2007 by inviting past presidents to a dinner dance where we shared memorabilia. Our calendar is filled each January with events for the coming year that include trips to an assortment of locations, car shows, our annual fall banquet, & Christmas party.

The club's signature annual event, **Vette Magic**, has traditionally been a two-day, all Corvette Car Show & Drag Races. It is sponsored and organized by NCCA each summer. In 2015, for the first time, in a major break with tradition, Drag Races for the **40th Vette Magic** were opened to all "Bowtie" (Chevrolet) and then in 2016 for the 41st, to all GM sedans and sports cars. Each year this event draws a large number of Corvette racers and spectators from Northern California & the surrounding states.

NCCA is a valuable member of our community, as we contribute to several charitable organizations each year through our charitable foundation.

General Business Meeting Minutes

Shirley Smith, Secretary

Wednesday, August 4, 2021
7:00pm via Zoom Meeting

Call meeting to order at 7:02 PM

Roll Call of Members - 16 in attendance.

President: Tim Sullivan

Welcome members.

A motion was made to approve the minutes in last month's K and all approved.

Let's start with Rob since we have our car show coming up on Sunday.

VP Events / VP Motorsports / WSCC: Rob Andersen

Our car show is this Sunday.

I think it's going to be attended very well.

Pretty much everything is ready to go.

Is Gene going to be ready to deliver the trailer to Blackhawk at 6 am?

Per Gene – Yes!

All helpers please arrive at 6 am on Sunday.

The Museum will bring tent down by 6:30 am and set it up for us.

I will pick up drinks and I will bring my cooler.

I will pick up the trailer keys from Shirley on Friday morning.

Harvey has some water and soda's. He will look at what he has and let Rob know.

Harvey asked Rob – Are we providing attendees water or just workers?

Per Rob – NCCA only.

I will get a case of water and some drinks.

Harvey asked Rob – Do you want me to get coffee and donuts? No

Maria already has ordered and will pick up.

I have had a bunch of people who sent emails saying they are very interested in attending.

I have heard from Santa Clara Corvettes and Valley Corvettes with a count of how many cars they will be bringing.

Maria will contact Lodi Corvettes and Rio Vista tomorrow to get a count on how many are attending.

Vetted will be bringing cars to the show.

Nothing from DVC yet unless they are "Valley Corvettes".

We have our original parking areas for the show. We will be using both sides.

Hopefully all goes well.

We are ready to go!

Maria has goody bags for the first 50 non member's cars registering.

Ken C. asked Rob who will pick people to judge the cars?

Rob said he will choose the judges.

I got a lot of emails about what is a Type 5 car show.

People were wondering if it was going back to a points show.

I told them no.

We will continue with the Type 5 show as it is more fun and easier to handle for the clubs.

Secretary: Shirley Smith

I picked up mail today and we have a letter from the State. I will give to George on Sunday.

Everything is ready to go.

I have 11 club cars pre registered.

I have the following people ready to help with registration – Michelle F.,

Maria C., and myself will be collecting registration fees from the cars. I have Pat G. at the registration table along with Ken C. and Jim W. Edie D. has offered to help at the registration table if needed. Both her and Scott will also be helping at the raffle table. Thank you everyone for volunteering!

Treasurer: George Robinson/Gene Peters Assistant to the Treasurer
Per Gene – George will be getting starting cash 5's and 10's for change for raffle and registration.

Membership: Maria (Mary) Coon

Membership Run is set for August 29th.

Renewal forms are uploaded to the club website.

I contacted San Andreas and this year will be the same scenario because of COVID with us sending gift cards. I will confirm at a later time.

I contacted Herlene Straus re: our club patches etc.

I sent her the artwork for pins and patches.

When Shirley and I went thru the trailer we did not find any supplies.

All I have is what Denise gave me when I took over membership.

The set up fee for the artwork is \$25.

She looked for prior artwork we had with them and was not able to locate any.

Per Harvey it has been at least 8 years since we ordered any supplies from them.

Maria will find out what the pricing is for all the patches, etc. and let the board know.

Someone from Rio Vista will send a count to me tomorrow on how many cars will be attending the car show on Sunday.

Harvey to Maria – Membership run – You need to choose a route – Need to work out the timing to get to Blackhawk. When you want to do a pre run please let Harvey know.

Maria – I found in the trailer old metal plaques from VM long ago.

(Dash Plaques). I organized them by date. We can try and create a piece of art or something from them.

Per Tim – We used to give them out for all the car shows and drag races and people collected them.

(Shirley knows there are more dash plaques in another box in the trailer. We can look for them on Sunday.)

Social: Harvey Grasso

Fall Banquet – I am trying to get an appointment with Blackhawk to talk about the food.

We are going to be in the clubhouse room this time.

Fall Banquet is scheduled for Nov. 20, 2021 and this date is confirmed.

Who is my contact at Blackhawk? Not sure who is in charge their now.

Sharon Trethen is our sponsor.

Tim will send Harvey the contact information for Sharon.

Harvey to Rob – Would you let me know by email if we need refreshments. Per Rob - I am picking up everything on Friday.

Christmas Party – Has anyone been looking at any venues?

Per Shirley – I contacted a handful of places and some are not renting out and some have not got back to me. The few I talked to want anywhere from \$65. to \$75. per hour and some have a limit of 32 people because of the Covid restrictions. I feel they are too expensive for us as we usually need about 6 hours all together for our party between set up, party and clean up.

Per Pat G. – We checked with our church but they wanted \$285 and food has to be catered.

Harvey asked about San Lorenzo Community Center where we used to have our meetings. – Per Gene – They messed up with us on payment and not being open for our meetings.

We should not go back there.

Shirley say's they are very expensive and I do not think we should go back since we had many issues with them.

Per Rob – can we have George ask about Ledson. No! It is too far to go for the club members.

Per Tim – Look at Alameda County fair grounds they have different

buildings.

Michelle F. says might be very expensive. We always paid more for antique shows when we held them there.

Harvey will contact some of the car dealerships to see if they will host us.

Tim and Harvey will look further for a venue space for the Christmas Party.

Harvey asked about the NCM club banner.

Did this get paid? Per Gene – George will send payment in Feb. 2022.

We cannot send payment any sooner.

Per Harvey – NCM is looking for a submission from the club for the Best news letters and publications.

We are to select an issue we want to submit for competition for this year!

Harvey will send information to Scott.

Per Tim we have won that award in the past a couple of times.

Publications: Scott DeVine

K – Not anything for this month since we are not doing a K.

Next K will be September issue.

Information on Ads – Per Edie – Sponsorship –

I called all current sponsors and added some others.

I currently have 11 people that I contacted.

I have renewal ads from FH Dailey Chevrolet and Neil Golding.

I have one looking at ad sizes.

2 advertisers dropped out – Spring Mountain and Lupieka CPA

Pat at Precision Motive has sold his business. The new owner is looking into the advertising and will let us know.

I didn't call Abel Chevrolet. I left that for Tim. Tim will call Derek at Abel Chevrolet.

Ken C. – Sponsorship – I talked to Adam at Tracy Chevrolet. If Abel doesn't renew their ad, I am sure Adam will be in. If Abel renews he might not want to have an ad in the K.

Edie – I called Boardwalk Chevrolet – they have not got back to me.

I called Stevens Creek Chevrolet – They have not got back to me.

Everyone has been contacted.

I let them know that we put off last year's advertisement renewals because of Covid. I told them we are getting ready for a new membership year and looking to see who wants to renew their advertisements.

I reached out as a client myself to some other organizations.

Hopefully we will have some new types of sponsors/advertisements.

Per Rob – I sent all the information to Jeff at Dublin Trophy and hopefully he will be interested.

A Big Thank you! To Edie!!! You are doing such a great job on sponsorship! We appreciate all you are doing.

Charitable Foundation: Hal & Madeline Briar

We are all set for Sunday.

We plan to sell 150 non blank winners packets and 75 winner packets.

Easy to open – No staples.

Either is or isn't a number on the back of the tickets. If there is a number that will be the prize they win. If no number no prize.

Hopefully they will want to buy another package right away if they get a no winner pack.

We should make \$1150.00 if we sell all the raffle tickets.

Once the Raffle prizes are done we will start selling the 50/50 tickets.

50% will go to our charity and the other half will be split into maybe 5 jackpots of 10% of the take in. This way we will have 5 winners.

Per Harvey – The Moose lodge calls it an Opportunity drawing. Prizes should be equal so it's less confusing.

Per Tim – Feels it should be 50/50 raffle.

Per Madeline – Michelle sells a lot of tickets and I think we will do fine. We will arrive at 6 am on Sunday with the raffle prizes.

My son and grandson will help with unloading the trailer and help with parking cars and then will leave.

Maria has left over table cloths she will bring for Madeline to use.

Historian: Herb Clore – Nothing to report at this time.

I am looking for history!

Glad we will have Vette Magic car show this Sunday.

Positive thing for the club.

Harvey uploaded pictures of our first events recently.

Herb will look for those pictures.

I am looking forward to a little history being generated this Sunday.

BMAL: Jim Wells

Two things tonight!

1 - Vote on ByLaws changes. We put the changes in the K.

We will vote on the recommendations for the changes. We would like to take a vote – Tim made a motion to approve, Harvey seconded the motion and all were in agreement. No opposed.

2- ByLaws nomination committee at August meeting.

We need anyone to help with new nominations for board positions.

We will be voting on new board at the Nov. General Business Meeting.

We will also put the names into the K and send out a members email blast if necessary.

The next K will go out in September and this will work out well.

Harvey to Jim – I sent out an email blast on board member committee members – Have you got any response? No per Jim.

Ken C. to Jim – What is your plans for the committee? Do you meet in person or over the phone. Jim says – We can meet by phone or Zoom.

Ken C. will work on the committee.

Harvey to Jim – Nominating committee question- Did you find a person to take over Social Social? Not at this time! – Once you find someone, I want them to work with me on the fall banquet. Per Jim – I have it on my list.

Public Relations: Bruce Bourne – Nothing to Report at this time.

Web Master – Dave Meccariello – Nothing to Report at this time.

Call meeting to order at 7:09 PM

Roll Call of Members - 18 in attendance.

President: Tim Sullivan

Welcome members.

A motion was made to approve the minutes in last month's K and all approved.

We are still looking for someone to take over VP Events. Next year's car shows dates are already locked in. It would be very simple for someone to take this position over. Please let us know asap if you are interested.

We also have the Social Director position open. If you are interested please contact Harvey Grasso and he can give you all the information regarding this position.

VP Events / VP Motorsports / WSCC: Rob Andersen

Thanks everybody!

We had a really great car show.

Biggest in a long time with 118 corvettes in attendance.

A few very small hiccups, but nothing crazy. All went very well. I saw Terry from the Museum this last weekend at the Membership run and he was very thrilled with how everything went. He can't wait for us to come back next year.

I feel that next year we will use the back parking lot for extra corvette parking as needed.

Herb made a suggestion that we end the car show one (1) hour earlier next year. As we seemed to have a few people who left early before the awards were given out. This is a good idea. We will look at doing that for next year.

Next year's car shows are scheduled for: Legend on Display - Sunday, May 1, 2022 and Vette Magic - Sunday, August 7th, 2022.

Don Henning mentioned that our raffle prizes this year were great. Very well put together. You all did great!

Ken Coon mentioned people were happy with the tickets they purchased for the raffle as they were winning raffle prizes.

Secretary: Shirley Smith

I have checked on a few places for us to hold our meetings for next year. We are thinking of having our meetings at Harry's Hof Brau in San Leandro or Black Bear Diner in Hayward. We could continue with Black Bear Diner in Danville too.

I am looking into other places too. More information to follow.

Treasurer: George Robinson/Gene Peters Assistant to the Treasurer
Ledson Winery Corvette's at the Castle – More information to follow. Currently this event is scheduled to take place October 17th, 2021. We will make a decision by October 1, 2021 regarding holding this event. Hopefully we will not be locked down by Sonoma County. Mary Coon asked George if we will have a run to get there? Yes,

Harvey has volunteered to lead the run, leaving from San Leandro Greenhouse Marketplace. More information to follow. Mary asked if George needs people to help set up? George said "that he has a few people already set to help out". Not much to do for this event. General Account is good.

Charitable Foundation Account is good.

I have sent checks out to the following:

WSCC for dues for two (2) new members.

Check to Mary Coon for coffee and donuts for VM car show.

Check to Bruce Bourne for K mailing.

Check to Colorprint for K.

Check to Fullmoon DJ for VM.

Check for Calendar Wiz (web calendar).

Covid took a hit on our totals in our accounts because last year we were not able to do anything.

I am making a suggestion that the club consider purchasing a sound system instead of paying for a DJ.

George feels that financially it makes sense to have our own sound system. But he says we can wait and see.

Everyone present at the meeting tonight decided after a lengthy discussion, that we would continue with using the DJ for our car shows.

We have a new member David Behring joining tonight! Welcome David!

He has a Torch Red Convertible C8. You might have seen his corvette at Vette Magic Car show if you were there. Membership run went well.

Michelle Ferretta was the winner of a free membership for one year.

Congratulations Michelle!

Membership renewals are doing well.

I will send out a reminder email to those members who have not sent in their dues.

I contacted the San Andreas Foster Children's agency and they said they will welcome gift cards again for this year. The kids were happy they could purchase things they needed last year.

We will get a list of the kid's names from San Andreas and we will purchase gift cards in the amount of \$30 each or up it a little bit if we have enough to do that. I will just need to purchase the cards and have them delivered to the agency.

I reached out to someone who can update our club patches, pins and window decals.

The cost will be \$485.00, which includes a set up fee.

George has sent me the vector file to give to them.

They do not have the old vector file from years ago in their system, it has been too long.

I will get more detailed information out to the board soon.

I plan on ordering 50 count of each patches, pins and window decals.

We have plenty of license plate frames.

Rob Andersen asked – If someone wants to purchase the patches can they? – Mary will get the costs and get back to him on this.

A couple of things for the September K.

I will do a write up for the Membership run.
A big thank you to George for sending me the membership run photos he took.

Social: Harvey Grasso

Fall Banquet – I went to Black Hawk Grille today and discussed our Fall Banquet with the caterer person Annmarie.
Menu will be similar to last year – hors d'oeuvre's and entrée and dessert.

Entrees – Champagne Vinaigrette salad, Crispy filled Chicken breast or pan seared Salmon filet or Roast prime rib.

Desert – Cheesecake with berry compote

No minimum head count was discussed.

Same room as usual.

They will provide the movie screen.

We will need to provide a projector. – Tim Sullivan will provide this.
After a lengthy discussion we decided to charge each member \$55.00.

All must be prepaid in advance.

BlackHawk Grille requires a head count 1 week in advance.

No at door payments will be accepted.

Motion was made to approve the \$55.00 per person price from each club member attending the Fall banquet. All agreed.

Christmas Party – Saturday, Dec. 18th, 2021 - Currently no venue.
Still working on securing a place.

We checked with Black Bear Diner in Danville tonight and they have agreed for us to use their meeting room for the Christmas party.

Each person is responsible for ordering and paying for their own dinners off of the Black Bear Diner Menu which will be the same as usual. They will have more selections for the holidays.

More information to follow for the Christmas Party!

Publications: Scott DeVine

Please continue to send in photos and articles of our events.

If you take your corvette out for a ride, take some pictures and write up a story about where you went and send it to me. I can use it in the K.

Sponsorship – Edie DeVine

I received a sponsor check for a full page advertisement from FH Dailey Chevrolet.

I have received a check from Neal Golding for his advertisement in the K.

I have a received word of other's that are interested in advertising in the K and they will get back to me after discussing with their accounting department.

I have some sponsors who have not returned my calls.

Great Job Edie!

This is the best response we have had in quite a few years!

Charitable Foundation: Hal & Madeline Briar

We are happy with the way the raffle table went for the car show.

Thank you Michelle Ferretta for selling raffle tickets. You did a great job!

Don Henning mentioned that Michelle Ferretta sure can sell a lot of tickets for the raffles!

Historian: Herb Clore

Thank goodness Vette Magic went off great!

Anybody who has pictures of runs please send them to me via Media Fire.

Any other pictures you have of runs you have done yourself, please send those to me. This way I can have a good selection for the Fall banquet end of year video.

VETTE MAGIC 45

After waiting over one year due to Covid restrictions, we were able to hold Vette Magic 45. NCCA has to thank Terry Thompson at the Blackhawk Car Museum for sponsoring our car shows. Without his generosity and support for our club, we would have no location to hold our car shows. We look forward to 2022 shows. Vette Magic 45 was a heavily attended corvette car show with 118 corvettes registered!!

A special thank you to (SCC) Santa Clara Corvettes and Mark Koller for organizing a large group of 25 corvettes to attend our show. With that many corvettes, they took home the CLUB PAR award. The weather was beautiful with blue skies for everyone to relax and just enjoy being out with our corvette friends.

There were many first time corvette newbies and they really enjoyed being around so many corvettes. There was a record number of new beautiful C8 corvettes together in one location, that really surprised everyone.

I want to thank Jeff Allan at Dublin Trophy for working with me and supplying our awards. I had a few ideas and he was able to create a few one of a kind awards for this year.

It was a great feeling handing out awards and seeing the genuine happy reaction from each winner. Many said it made their year, and after what we all been through, I believe them!!
