AMERICA'S OLDEST CORVETTE CLUB

In July of 1956 in the East Bay, two Corvette owners, Johnny Zeh and Jerry Wright, waved & stopped to talk. Corvettes were few in numbers then & several weeks could pass before encountering another. These drivers discussed starting a Corvette Club.

By July 15, 1956, an informal meeting of Corvette owners decided to establish the Northern California Corvette Association. These early Corvette owners met frequently at each other's homes with their numbers increasing each month.

On March 28, 1957, an initial group of 35 met at Daily Chevrolet in Oakland to establish the by-laws. By then Josh Hogue, San Francisco Examiner's sports car event columnist suggested that this group combine with the one meeting at Les Vogel Chevrolet in San Francisco.

On **May 9, 1957** NCCA was incorporated & 40 members elected Roy Storey President. Roy was a TV & radio sportscaster & Corvette participant in SCCA's regional races. Sandy Greenblat was elected Vice

President, Patty Gellenbeck, Secretary & John Zeh, Treasurer. The charter membership for NCCA was closed at the end of May 1957 listing 47 members.

President Roy Storey suggested a series of autocross events named after Grand Prix races. NCCA presented Northern California's 3rd autocross. 150 cars drove the course at the Milpitas Ford Plant. This series set the standard for autocrossing in Northern California. Though Roy Storey was soon transferred to Hollywood by CBS, he helped NCCA to properly start as a competing club.

NCCA is still participating in autocrossing, drag races, track racing & car shows. The club is the oldest member of the Western States Corvette Council (WSCC), joining in 1966. We have evolved into more of a social club over the years with the focus on day & weekend trips. In recent years interest has increased in racing, with members taking trophies in drag racing and autocross and entering more and more open track days at Sonoma, Thunderhill, Weather-Tech Raceway at Laguna Seca and Button-willow race tracks.

NCCA celebrated its 50th anniversary in 2007 by inviting past presidents to a dinner dance where we shared memorabilia. Our calendar is filled each January with events for the coming year that include trips to an assortment of locations, car shows, our annual fall banquet, & Christmas party.

The club's signature annual event, **Vette Magic**, has traditionally been a two-day, all Corvette Car Show & Drag Races. It is sponsored and organized by NCCA each summer. In 2015, for the first time, in a major break with tradition, Drag Races for the **40th Vette Magic** were opened to all "Bowtie" (Chevrolet) and then in 2016 for the 41st, to all GM sedans and sports cars. Each year this event draws a large number of Corvette racers and spectators from Northern California & the surrounding states.

NCCA is a valuable member of our community, as we contribute to several charitable organizations each year through our charitable foundation.

General Business Meeting Minutes

Shirley Smith, Secretary

Wednesday, August 3, 2022
Call meeting to order at 7:00 PM

Roll Call of Members -
16 in attendance.

President: Rob Andersen –

Welcome members.

A motion was made to approve the minutes in last month's K and all approved.

One guest this evening – Bill Gowey – He has a 2014 C7. He has moved here from the State of Washington for work in California. He is a past president of the 3Rivers Corvette Club in the state of Washington. He contacted us yesterday and is here today for our meeting. Welcome Bill!

We will start off with the Car show coming up on Sunday.
Mary will discuss information.

NCCC Govenor: Rob Andersen –

Everything is in place with our new insurance. We will have NCCC waivers for all corvette drivers and passengers to sign as they enter the car show.

VP Events – Mary Coon –

First thing is I have handed out the schedule for our Vette Magic Car show to our members here this evening. If you see anything that might need to be changed, please let me know asap.

Schedule is as follows:

Volunteer Arrival – 6 am to 7 am

Registration – Starts at 8 am to 10:30 am

Club Parking Hold – 9:30 am cut off

Raffle Ticket Sales – Start at 10:00 am

Judging – Starts at 11 am to 1:00 pm

Grand Prize Raffle will be called at 1:30 pm

Awards Presentation will be at 2:00 pm.

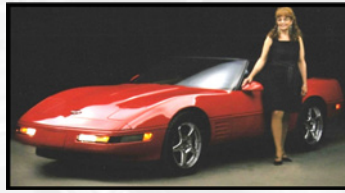

We will have a Grand Prize Raffle – Tickets will start to be sold at 10:00 am along with our Instant Winner raffle packets.

I will announce the information on how to purchase tickets and how much they are and how the raffle prizes work over the speakers at the car show.

I will create a poster board with the Schedule to be displayed near the Registration and Raffle tables.

We will be in the Center of the parking lot, which will give us the opportunity to reach both parking areas with the speakers with the sound system.

We currently have 36 people pre-registered thru MotorSportsReg.

This count is lower than Legends on Display earlier this year.

We should expect approximately 100 cars for this show.

DJ will start his set up at 6 am.

Blackhawk will set up a tent early for us.

Blackhawk Car Museum donated Museum branded lanyards and brochures for our 50 goody bags.

Rob & I picked up the Trophies in Dublin and have sent the bill to George. (George said he has paid the bill.)

We have 7 cars from Legends that had MSR credits for entering the show. Out of those 7 we have 6 who have pre-registered. If they do not show for Vette Magic 2022, there fee will be a donation to the club.

We have 4 perspective members that are pre-registered for Vette Magic, so they are eligible if they attend one more event to become NCCA members.

We currently have 6 club members pre-registered. Hopefully we will have a few more pre-register or enter day of show.

Harvey has volunteered to pick up the donuts. (2 dozen).
Gene will bring the trailer at 6 am.

We have the following car clubs that have said they are attending:
Vetted with 6 cars, SCC with 16 cars and no word from DVC.

Per Ken – We will not hold extra spots for the clubs. The clubs have been notified. They must all come in together.

We are communicating with the clubs that as of 9:30 am (our cut off time) all of their cars have to be checked in, otherwise the spots will be given away.

I want to spread the cars out since we will be using both parking lots.

We will have speakers in both lots.

Mary – I am sending Welcome letters to all the online registrants.

We sent the insurance to Blachawk already.

We have new dash cards. A sample was passed around. We changed and added some things to make them easier to read for everyone and judging.

The judges will have a sheet with the emblems and years of the cars printed on them to make their jobs easier.

We need judges!

We need Volunteers!

Please let us now if you are coming and if you can volunteer to help out.

Per Gene – 1 radio (Walkie Talkie) is missing from the last show. We will have to look in the trailer to see if it was misplaced.

We will have a sign out sheet for the radio's at Vette Magic to keep track of them. (We have done this in the past, and will do this moving forward.)

Raffle Prizes – Instant winners are \$5 per packet of 5 tickets.
Grand Prize – We have 3 very nice prizes.
Tickets for Grand Prize are \$5. each ticket.

1st place Grand Prize – Airmoto Air Pump, Glasses and bottle of Crown Royal and snacks plus CHOZA Mexican Restaurant gift certificate in Blackhawk Plaza.

2nd place Grand Prize - \$200 Gift Certificate from Tracy Chevrolet plus CHOZA Mexican Restaurant gift certificate in Blackhawk Plaza.

3rd place Grand Prize - Trader Joes snack basket plus CHOZA Mexican Restaurant gift certificate in Blackhawk Plaza.

We will use the tumbler for the Grand Prize Tickets.

No 50/50 raffle.

Per Mary – No silent Auction – I don't want to take away from regular raffle and grand prize tickets.

Michelle Ferretta has purchased 40 raffle prizes and they are ready and in the trailer. (A big thank you to Michelle for all of her work in getting and organizing the prizes together.)

Per Madeline we have 3 more prizes here tonight and possibly 2 more prizes coming in by Sunday.

We should have a total of approximately 45 prizes.

Waivers to be signed -information for NCCC insurance for the car show is on our flyer and our website information for Vette Magic.

VP Events / VP Motorsports – Mary Coon

See above for all information.

Treasurer - George Robinson

Current status as of end of July – Re: our bank accounts:

Balance as of End of March regular account - Good

Charitable Account - Good

Trophies - billing paid for Vette Magic

Raffle prizes for Vette Magic – Michelle Ferretta offset the amount spent by selling items that were in the club trailer for many years. She made enough money to pay for the prizes. Thank you Michelle.

I met with the CFO of Ledson Winery and Corvette's at the Castle and all events at Ledson Winery have been CANCELED this year.

I have spoken with the band "EZ Motion" regarding playing at our car show next year. We will discuss this at the next meeting.

Gene Peters stated he has a generator that could be used for the band. More information will need to be looked into and this discussed at

another meeting for next years' car show.

George suggests that we go through the trailer to purge unwanted items.

George has 3 big boxes of Treasures records going back many years. We need to get rid of some of them. We should keep 7 to 10 years worth of documents.

George and Michelle will take some time to go through the trailer and eliminate some of the old items that are no longer needed, to clean it up after it has been emptied for the car show on Sunday.

Secretary - Shirley Smith -

We need volunteers for Vette Magic.

Bonnie's Memorial service is Sat. August 13, 2022. If you have not RSVP'd to Shirley, please let her know asap so that we can save a parking spot for you. We will meet at 12:45 pm in the old Mervyn's parking lot to stage the cars and drive to the venue a few minutes away. If you need any further information, please let Shirley know.

Jim Wells sent a Thank you card to the club for the very nice sympathy flowers that were sent in memory of his wife Susie. Susie was very active in the club in the past. As she became ill she was not able to attend club functions.

Membership - Ken Coon -

We have 4 inquiries for membership.

Bill Gowey showed up with 1 day notice to tonight's meeting.

We have another couple that will come to the car show on Sunday and that will be their second event and they will be eligible to sign up as club members.

If Bill Gowey shows up at the car show that will be his second event and he will be eligible to sign up with the club as a member.

Mary has updated the NCCC fees for new membership.

We have also updated new member's fees to join for the first year.

Rob will be handling having show entrants sign NCCC waivers, which include driver and passenger.

The Schedule for fees will be put on agenda for next months board meeting. We need to discuss possibly changing the fees we charge either by month, quarterly or an annual fee. We need to streamline our fee schedule to keep it simple. The Bylaws will need to be changed to reflect any changes made.

If we are set and ready by 7 am at the car show on Sunday we can let cars in earlier.

Shirley - We can use blue dots to show proof that the cars have paid.

I will give Dave Meccariello (to put on our website) the information for the new Application and Renewal of club members. Membership Renewal forms will go out next week to the club members via email.

We will have new Renewal forms, etc. on our website.

As well as the 2021 Bylaws will be uploaded to the website. Mary will be sending Dave M. the 2021 ByLaws.

Between both ways of selling tickets we are hoping to make a lot of money.

At 10:00 am we will start selling Grand Prize single raffle tickets – Denise Peters will sell single tickets to our guests at \$5 each ticket.

Historian - Herb Clore –

The Eboard members received an email from Dave Meccariello commenting on the lack of entering pictures on our website. Covid happened and we had no activity for the last 2 years.

I don't know how to load to our website, I have no access. If you can please let us know how to access the website I can post pictures.

Everyone who has attend events recently should post pictures to media fire.

You can always upload pictures to media fire or you can email them to me.

(Note: Gene Peters has 3 binders and a book of CD's of past stuff from the club at Tim Sullivan's shop. He will bring them next time.)

Herb Clore is handling mailing of the K.

I brought one of our new K's this evening if anyone would like to look at it.

I have a request. My work schedule is bad at this time, so can someone mail the K's? Mary agreed to mail the K's.

Herb gave George the billing for the postage for the K's.

Herb said that Don Landers sent the invoice for the June and July printing of the K's today. George will look in his emails for this billing.

Herb asked if everyone received their packets from our new insurance/council, NCCC? Yes

The fall banquet is scheduled for Saturday, Nov. 12, 2022.

Mary will make a follow up call and email Dennis to confirm the information.

Chinatown Car Weekend Car Show!

I can't believe it's been 1 year since we held the 1st ever Chinatown Car Weekend which brought 1000's of visitors to help revitalize Chinatown San Francisco. It's 2022 and our job isn't done and it's time for the Chinatown Car Weekend again. This year I am proud to be working with the non-profits in Chinatown San Francisco of BeChinatown, American Chinese Herb Trade Association, and the Chinatown History & Culture Association. Our goal will be to raise \$100,000 to help people and businesses in need while pumping back \$500,000 into the community from visitors during Chinatown Car Weekend. Chinatown San Francisco is one of the poorest communities in the San Francisco/Silicon Bay Area. We want to use this event to help local Bay Area Communities "Rediscover Chinatown." Chinatown needs NEW foot traffic and this event will bring 1000's of people back to Chinatown to help local merchants and it's citizens.

Registration for the car show will be \$100 per car.
Participation in the car show will be limited to 150 cars (75 cars per day).

PLUS Every participant will given a free ticket to the Bruce Lee exhibit at Chinese Historical Society of America, for more info about the Bruce Lee Exhibit please goto www.chsa.org

If you are interested in helping sponsor the Chinatown Car Weekend we have packages as low as \$500. All proceeds will be going to Chinatown San Francisco to non-profit organizations to help development businesses, youth programs, helping the elderly, and preserving the history of Chinatown.

History & Origin of the Chinatown Car Weekend Car Show

Since Covid started to emerge itself in 2020 Chinatown SF was hammered by a string of events. First tourism and visitors plummeted by over 80% as people stayed away because they thought they would contract Covid by being near Chinese Americans. This was especially disheartening as in the Bay Area we tend to view ourselves as inclusive and most would not argue that within 50 miles of San Francisco is the most educated population in the United States. Unfortunately, that education didn't prevent people from staying away due to unfounded and false fear Chinese Americans would spread Covid-19 to them. This was a MAJOR problem as Chinatown SF depends on over 50% of it's revenue from outside visitors such as tourist. Then the next blow happened... the state of CA locked down the entire state for months decimating small businesses which depended on daily revenues to stay alive. Then came the social justice protest and riots which destroyed and looted Chinatown businesses which made a bad situation that much worse. And to make things even worse crimes against Asian/Chinese Americans EXPLODED in the Bay Area where we're at... especially against the elderly and women. The violence against the Asian community created MORE fear for visitors going to Chinatown and San Francisco which keep many people away.

Enough was enough... I couldn't sit back anymore and just watch the community which helped shape me be destroyed in front of my eyes. Chinatown SF has quietly existed in the USA for over 170 years and was crumbling before my eyes. On October 2nd & 3rd, 2021 we helped hold the largest car show in the history of Chinatown to help bring traffic and visitors back to Chinatown with the help of community leaders and various organizations. All proceeds for the event was donated to CMUASF to help merchants and the citizens of Chinatown SF. This event is born out of my desire to help give back to Chinatown SF which has given so much to me and helped shape who I am. I spent most of many summers with my brother with my Grandmother in Chinatown in a SRO (10x10 room) off Pacific Ave... we were poor but rich with life and love from our community. We feel it is our obligation to help since we have the means and I the platform to help drive support from our car community. The show was a major success with over 76 cars attending while 1000's of visitors descended onto Chinatown to support the event and small business. That weekend was one of the busiest weekends of 2021 for Chinatown small businesses.

The new C8 Corvette is an amazing car with its new mid-engine format, traction control, and host of tech features. For the \$76K I paid for my 2LT car from Abel Chevrolet there is no better new performance car which can be purchased off a dealer show room floor. The great thing about new models of cars is there are new upgrades and mods which are available! I can't leave a car stock. 😊

My car has a host of upgrades but today we're going to focus on the install of the Vertical Doors Lambo Door Kit. The "Lambo Doors" was made popular in the early 80's by the Lamborghini Countach. The install of the kit is VERY labor intensive and requires the entire front clip to be removed which includes the front fenders, bumper, and head lights. The process takes about 2-3 days and costs \$4599 for parts and labor. We offer lifetime warranty on the labor for the door kit if it ever needs adjustment. After the doors are installed, you can open them normally OR as a Lambo Door.

While the front bumper is off, I would HIGHLY recommend installing a set of our TPS C8 Radiator Screens. The C8 has 2 massive openings in the front of the bumper which is great for air flow to the radiator BUT the issue it creates is it leaves the radiator exposed to being damaged. Look at any stock C8 without radiator screens and you will see the car's radiator has damage to them. Our screens retail for \$299, have a lifetime warranty, made in the USA, and covers the entire radiators for protection compared to others on the market.

If you have any questions about any of these items, please feel free to contact me at **408/667-0531** or **Mikem@TPSMotorsports.com**
