Al Wanderer Wayne Mooneyham

The following people have applied for membership:

George George Ronald Christiansen Ronald Spinali

25701 Soto Road 5944 Laird Avenue
Hayward Cakland

Oakland San Francisco

ward Carla

Pat Promises Party-time!

Social Chairman Pat Vercelli, still beaming from the success of the February dinner, is taking reservations for our March dinner meeting to be held in Lafayette on Friday, March 20. Full particulars, plus a reservation slip, are on the flyer Pat dittoed for you.

Fifty-eight members and guests attended the steak barbecue at the Pioneer last month. After dinner entertainment included little theatre next door, and real racing (slot car variety) a few doors

Please note: reservations for the San Guinten tour will be taken at the dinner meeting March 20:

Dues Past-Due

As of THIS Friday, February 28, NCCA dues will be over-due. Unless you have an awfully convincing sob-story to tell, we suggest that you rush your check to treasurer Jerry Haakenstad (22555 Linden St., Hayward) IMMEDIATLY!

Easter Seal Coin-Containers Go Cut by Corvette Delivery

Mark Saturday, March 7, well in your little book. That's the day NCCA has promised the Alameda County Easter Seal Society to distribute their coin-containers. "Easter Seals" is NCCA's pet charity, and as such is to be aided by us in making their annual appeal for funds. We will place the canisters in businesses in the Oakland, Alameda, and San Leandro areas.

After the job's done, we'll meet at the Jack Riis home for a social. Remember....be at Jack London Square at 9 sharp Saturday morning, March 7, 1964. They need all and each of us!

Need a name-badge? Ron Craven will take your order. Look for him at the next meeting. The official i.d. badges cost \$1.87, payable to NCCA.

Say, ma'm, don't you think the Corvette Club would be more fun if you took an active part in the happenings? Your golden opportunity is at hand. We need a secretary. It isn't really a lot of work, and it's guaranteed to bring you at least a few laughs. Why don't you volunteer right now (or at least at the next meeting)? President Jim is accepting applications for the job.

FOR SALE: Hardtop for 1960 Corvette, blue, \$150.00 4:56 Posi., \$50.00 Call Max Gumm, 782-1818 evenings, 471-5411 days.

Black Smoke Department...In our oppinion, if there's a chance that we will see an Oakland Grand Prix this year, a very large portion of the credit goes to our own "Woody" Wood. When everyone else had given up the idea, Woody kept asking and talking...to the right people, it seems. He got the Cakland "fathers" and the SCCA wheels together recently, and things are looking good. Cur cheers for Elwin (Never say "die") Wood!

**...NCCA representatives at the road race activities in Arizona recently had many reports to make. John Coyle, who landed a neat 3rd in class both days, says the new course is really great. The other NCCA representative said that the "bunnies" were, too.

.....Comming up this weekend is the only graduation ceremony that offers lead shoes instead of the traditional sheep skins. NCCA has three hopefuls going into their third RDC session Saturday. Good luck...we'll see you on the grid for the first SCCA Club race Sunday!

SPECIAL BULLETIN

TO ALL NCCA MEMBERS AND GUESTS

EASTER SEAL CANNISTER DISTRIBUTION

* * * * * OUR OULY CHARITY PARTICIPATION OF THE YEAR * * * * * *

PLEASE TURN OUT

MARCH 7, 1964 SATURDAY 9 AM. JACK LONDON SQUARE (APOSE ()

This year we are distributing only in Oakland, Alameda and San Leandro.

The more cars that turn out, the less cannisters we each have to distribute!

If your Corvette is laid up, bring any car - we aren't fussy! Just come!

We will have refreshments before we take off, and a small get together afterwards at Jack Riis' home.

Seriously, our efforts mean a lot to the Easter Seal Society and they are depending on us to raise approximately \$1,500.00 through these cannisters

Don't forget the date - Saturday, March 7

Jack London Square - 9 AM
