JOTTINGS FROM JIM

As you know, we didn't have as many contestants at our last Corvanna in July as we would have liked. Our next event is at Cotati again on August 30. Let's all of our members turn out for this one and support our Club activity by working and running the event, too. Ron Trethan has really been doing a terrific job setting up these courses with his hard working committee members, and the rest of us can help by providing man power (and lady power) on Sunday. See you there?

I would like to wish our members a "Happy Vacation". Many of you have gone and returned already, and others still are looking forward to your fun time. May you have a safe journey to and from your destination.

Our next meeting (August 18) will be at Parker-Robb Chevrolet Co. in Walnut Creek. We have been there before and enjoyed our meeting very much. Our Social Chairman, Pat Vercelli, has been real busy with plans for the social part of our Club and the balance of the year certainly doesn't look as if it will be dull. You'll find the dates elsewhere in this Bulletin...be sure to mark your calendars and do come out and join us.....

Jim.

IMPORTANT!!!

The "E. Board" voted at its last meeting to study our By-Laws and bring them up to date. Any club member wishing to suggest changes, additions or deletions to our By-Laws is requested to submit them in writing not later than the September 1 meeting at G.M. Gene Souza is Chairman of this Committee and will welcome any suggestions to bring our governing rules up to date.
